

Children's Health

Citrix Installation for iPhone/iPad

- 1. Unlock your device and open the App Store
- 2. Once you have entered the Apple store, type **Citrix Workspace** in the search box.
- 3. Once you have identified the app, click **Get** on the right side of the application's name.

- 4. Enter your Apple ID and password and then click Install.
- 5. Once the download is complete, open the application.
- 6. On the welcome screen, click Get Started.

- 7. In the text box, type https://go.stanfordchildrens.org
 - a. Leave the Use smart card option as it is.
 - b. Click Continue.
