Logging into Citrix	3
How to Search for an Application	4
How to Launch an Application	4
How to Add an Application to your Favorites	5
How to View your Favorite Applications	6
How to Remove an Application from your Favorites	7

### Logging into Citrix

- 1. Open your browser and type go.stanfordchildrens.org.
- 2. Type in your Stanford Children's username and password. Click Log On.

a. If you are on an external network, you will be prompted for **Duo Authentication**. Complete the authentication using your preferred method.

3. Once you are authenticated, you will see the Citrix Web Interface page. The default page is the **HOME** tab.

#### How to Search for an Application

Once on the home page, click the **APPS** tab at the top. Type any part of the application name into the search box located on the right.

Stanford Children's Health Stanford	4		HOME APPS		Q Search	
Apps All (76) Favorites (2)	Categories					
습 다	다.	\$		Ŷ		
22 Miles - TouchDirectoest	Access Control Online Form Employee Resources	AccessFSCM Financial Applications	AccessHR Employee Resources	Analytics_Clinical Cirical Applications	Analytics_Financial Financial Applications	Analytics_Maleen
ф	Ŷ	\$	\$	\$ \$	☆ ☆	☆ ■
Analytics_Reing Reporting Applications	AnalyticsMD website	BAC Clinical Applications	BAC_Training Circal Applications	Box Employee Resources	CA Immunization Registry	Calculator Test
	Reporting Applications				Cinical Applications	

#### How to Launch an Application

Start by clicking the **APPS** tab at the top of your homepage. Using the search bar on the right, search for the application you want to open. You can also scroll through all the applications available.

Stanford Children's Health	Lucile Packard Châdewîs Hospital Stanford		С номе		Q Search		¢.
Apps All (76) Fa	vorites (2) Categories						
☆		☆	☆	☆		☆	

Once you find the desired application, there are two ways to launch it:

1. Click the center icon for the application.

OR

2. Click the icon associated with the application you want to launch and select **Open.** 

#### How to Add an Application to your Favorites

Start by clicking the **APPS** tab at the top of your homepage. Use the search bar on the right to search for the application you want to add as a Favorite. You can also scroll through all the available applications.

Stanford Children's Health	Lucile Packard Children's Hospital Stanford		(с) номе		Q Search		¢٠
Apps All (76)	Favorites (2) Categories						
습	☆	습	습	습	숩	슈	

Once you find the desired application, there are **two** ways to add the application as a Favorite:

1. Click the  $\stackrel{f}{\hookrightarrow}$  icon next to the application. If your search results display multiple applications you want to add as Favorite, click the  $\stackrel{f}{\hookrightarrow}$  icon for each application. You will know that you have successfully added an application as a Favorite if the star changes from the color **white to gold**.

### How to View your Favorite Applications

After adding an application as a Favorite, you can find these shortcuts in **two** ways:

1. Click the **HOME** tab to see the added applications on your homepage alongside the two default applications (*Epic Hyperspace* and *Epic Read-Only*).

2. Click the **APPS** tab from the homepage, followed by **Favorites.**

#### How to Remove an Application from your Favorites

The two places to view applications that were added as Favorites allow you to remove applications from your Favorites.

1. Click the **HOME** tab if not already on the homepage.
